#### TRIBUTE TO MANCHESTER AIRPORT

● Mr. SMITH of New Hampshire. Mr. President, I rise today to pay tribute to the outstanding growth of the Manchester Airport. Recently it has completed the changes and additions that have been underway for the last 8 years helping pave its path as one of the premier airports in the state. These changes include a 158,000-square-foot passenger terminal with a 70,000-square-foot terminal addition, and a six level parking garage and connecting pedestrian walkway. These drastic improvements have taken this once small, and seldom used airport and turned it into a legitimate point of travel. With all this advancement it has been a point of destination for more than 3.2 million passengers in 2001.

In addition, cargo shipping has become a growing factor at the Manchester airport as it is now ranked the third largest cargo airport in New England. A recent impact report has shown that the business related to the airport added 500 million in 1998 and is estimated at more than 1 billion annually by 2010.

Factors such as convenience, ample parking, and greater customer service has created an airport that the citizens of Manchester can be proud of. I commend Kevin Dillion, airport director of Manchester for being named the Travel Person of the Year in 2001. The outstanding services available at Manchester will surely be a factor in the growth of the airport. This project has truly added to the appeal Manchester holds for all travelers. It is an honor and privilege representing the good people of Manchester.●

● Mr. SMITH of New Hampshire. Mr. President, I rise today to pay tribute to a pillar in the entrepreneurial community of New Hampshire. Mrs. Annalee Davis Thorndike, the creator and manufacturer of the collectible Annalee Dolls, passed away Sunday April 7, 2002, at the age of 87. The Annalee Mobilitee Dolls are considered some of the most famous manufactured items to come from New Hampshire in the 20th century.

Beginning in 1930, Annalee and her husband took the first step in turning

her dollmaking hobby into a business. Flourishing, the business reached a total of 250 to 300 employees in the Lakes Region. Displaying her dolls in the White House at times, Thorndike was awarded the "Collectibles and Gift Industry Pioneer Award" in 1997. Epitomizing the American spirit and following through with her dreams, Annalee's dolls will always be a proud part of the communities as the greatest collectible dolls to ever come from New Hampshire.

Five years ago Thorndike stepped down from head of operations and turned the business over to her sons. New Hampshire is excited to see the Annalee Mobilitee Dolls continue to be manufactured in the same location they have been since 1955 when Annalee founded the company. Today a museum of dolls can be visited at the manufacturing site. A true spirit and friend of New Hampshire, Annalee David Thorndike will be sorely missed by all citizens of the great state. It is an honor and privilege to have represented Mrs. Annalee Davis Thorndike in the U.S. Senate.●
